

BBM

Part of MSS GROUP

BBM WELCOMES MASON GRIFFEN

A consummate professional with extensive experience as a Senior Project Manager and Operations Manager with a demonstrated history working in the facilities maintenance and construction industry.

A highly technical trades background, with strong experience in managing large teams, project tender bids, construction management, financial and portfolio management, WH&S compliance and reactive maintenance systems.

Andrew Leppinus commented, *"I am thrilled by the contribution Mason will bring to our organisation. As a skilled executive, he possesses a wealth of experience and extensive industry knowledge. Furthermore, Mason's abilities are clearly welcome in our business, fostering an outstanding work culture. He inspires high-performance and cultivates a positive work environment. With Mason on board, we anticipate good client relationship building and growth across new markets."*

Mason commented: *"I am extremely excited to join the BBM team and looking forward to working with a strong and growing group. I'm eager to work with such a vast and diverse range of clients across the MSS portfolio and look forward to contributing to the further expansion and success of the business."*

ABOUT BBM

BBM is the newest addition to the portfolio of Multi Service Solutions group of companies. BBM specialises in Facilities Management services offering professional services to Property Owners and Facilities Managers. Andrew Leppinus, Managing Director with over 15 years of experience, leads the BBM Division services including management of property operations, outgoings, and forward planning to deliver cost certainty and maximise return on investment. BBM

improves visibility of a compliant, optimally utilised, green and sustainable property portfolio achieved by high competencies and corporate experience. A boutique Facilities Management company that provides transparent, streamlined and paperless operational services for clients.
