MSS GROUP ANNOUNCES CHIEF EXECUTIVE LEADERSHIP TRANSITION

GUY HASLEHURST APPOINTED CHIEF EXECUTIVE OFFICER

MSS Group has announced an important evolution in its executive leadership, with Guy Haslehurst appointed Chief Executive Officer effective 1 November 2026.

Guy will assume responsibility for the day-to-day leadership, performance, and strategic direction of MSS Group as the business continues to grow across Australia and New Zealand.

After 10 years as Chief Executive Officer, Chris Russell will transition to the role of Executive Director, Strategy & Growth on the MSS Group Board. In this role, Chris will continue to support the Group's long-term strategy, development opportunities, and key stakeholder relationships.

Steve Mace, Chairman of MSS Group, said the transition reflects the strength of the organisation and positions the business for its next phase of growth.

"Guy brings significant leadership experience, a strong understanding of our business and clients, and a clear commitment to our people and values. He is ideally placed to lead MSS Group into its next chapter.

Chris has played a pivotal role in the growth and success of MSS Group over the past decade. Under his leadership, we have expanded our capabilities, strengthened our client relationships and built a highly capable leadership team. We are pleased that Chris will continue to contribute to the future success of the Group through his Board role."

Chris Russell said:

"I am incredibly proud of what we have achieved together and have complete confidence in Guy and our Executive Leadership Team as they lead the next chapter of MSS Group. I remain fully committed to the business and look forward to continuing to support our people, clients and future growth in my new role."

Guy Haslehurst said:

"It is a privilege to lead MSS Group and an opportunity I am genuinely excited about. We have exceptional people, strong client relationships and significant momentum across the Group. I look forward to working with our teams to continue delivering outstanding outcomes for our clients and creating opportunities for future growth."

The transition reinforces MSS Group's commitment to leadership continuity, service excellence and sustainable long-term growth, while ensuring clients, partners and employees continue to benefit from the experience and capability of a strong executive leadership team.

ABOUT MSS GROUP

Multi Services Solutions Group is a privately owned business offering multiple technical services including project and construction management, facilities management, in-house technical trade capability and regional airport management services. We employ over 450 employees operating throughout Australia and New Zealand, to deliver end-to-end solutions for clients. Our specialist teams provide building project management and services including fire protection, HVAC, electrical, building maintenance and management services that support the performance, compliance and longevity of our clients' property and critical assets.
